

Deed Restriction Overview

The enclosed Deed Restriction is required by the Los Angeles County Regional Park and Open Space District (RPOSD) to record a restriction on the title to the property. The restriction ensures that the property is used for a purpose consistent with the grant scope in perpetuity.

- If the Grantee owns the project site property, a deed restriction is required before any grant payments will be approved.
- **Acquisition-only projects**
The deed restriction is required after the acquisition is complete and the Grantee takes ownership of the property.
- **Acquisition/Development projects**
The deed restriction is required after the acquisition is complete and prior to paying for development costs.
