# Enrolling with RPOSD

Enrollment Basics

Measure A Grant Process

- All grant-seekers **must enroll** with RPOSD using the online **Grant Management System (GMS)** beginning in January 2019 (projected)

- **Enroll early** so that your agency or organization is ready to apply for grants when the litigation is resolved

- All enrollment information **must be verified annually** to maintain Good Standing

MEASURE A: GRANT PROCESS

```
                    Enrollment
                   /          \
   Annual Allocation        Competitive
   Application              Grant Application
          |                      |
       Review              Scoring & Evaluation
            \                  /
                  Award
                    |
              Advancement
              (if applicable)
                    |
              Reimbursement
                    |
            Project Completion
```

RPOSD Technical Assistance Program (TAP) will be available to assist applicants over the entire grant process
