MAINTENANCE AND SERVICING

Public agencies and identified nonprofit organizations who own and/or operate grant-funded projects

Using Your Annual Allocations

- Agencies may expend annual allocations as funds become available
- Agencies may accrue their allocations for up to five years prior to expending them
- Agencies may share their funds with other Study Areas, as long as the project benefits both Study Areas
- Agencies must report plans to expend or accrue funds during enrollment and update this information annually
- Contracts for projects using annual allocation funds prior to resolution of litigation include a clause stipulating that **all funds must be repaid if the County does not prevail in court**

Annual Allocations

Applying for Annual Allocation Grants

- Agencies must be in **Good Standing** prior to applying for an annual allocation grant
- Applications will be available in early 2019
- Applications will be accepted on an ongoing basis
- Applications will be reviewed and accepted by RPOSD staff. Applications with missing or inadequate information will need to be remedied before application is accepted. Your assigned Grant Officer will assist you with this process.
- Projects must meet eligibility, feasibility, and community engagement requirements
