### Description

#### Description

This application is for eligible agencies seeking funding from **Community-based Park Investment Program** and **Neighborhood Parks, Healthy Communities, & Urban Greening Program** under RPOSD's Annual Allocation Grant Program for their Development Project.

*Development Projects* are identified capital projects that include construction, enhancement, or refurbishment of park or open space elements.

*Annual Allocation* grant funds are non-competitive grant funds awarded annually to eligible agencies on an ongoing basis. To learn more about the source of funding and how it is calculated, refer to [Section 3.1.1](#) of the Measure A Grants Administration Manual.

For program and eligibility information regarding the *Community-based Park Investment Program*, see [Section 2.1.2](#).

For program and eligibility information regarding the *Neighborhood Parks, Healthy Communities, & Urban Greening Program*, see [Section 2.1.3](#).

Annual Allocation for both of these program categories are designated to specific Study Areas according to the [Parks Needs Assessment](#). Refer to the attachment below for information on funding allocation by Study Area.

Also available as attachments for this application: Deed Restriction Packets Templates, Language Access Requirements, Minimum Engagement Requirements, Measure A resolution templates, Assignment of Assumptions of Grant Agreement (AAGA) template, and a copy of the grant agreement template for this funding opportunity. Note that certain attachments may only apply to specific grant project proposals, e.g. AAGA will only apply to your grant application if the project involves more than one agency.

All sections listed below reference the [Measure A Grants Administration Manual](#), unless specified otherwise.

#### Required Fields:

Fields marked with a red asterisk(\*) are required. You will not be able to save the form without entering data into these fields.

### Pre-Application

All applicants must review and agree to the following pre-application requirements prior to submitting an application for grant funds.

#### Application Workshop

All applicants eligible for funding required to attend an application workshop before applying ([Section 3.4.1](#), [Section 3.4.2](#)). If you were unable to attend in person, please [click here](#) to access and watch our webinar prior to continuing with this application.

**Who attended the application workshop:\***

**Date of workshop:\***

**Type of workshop attended:\***

**Our agency/organization has read the requirements mentioned above and completed the application workshop prerequisite.\***

#### Good Standing

Applicants must be in Good Standing in order to apply for grants. Applicants who are not in Good Standing must contact their assigned RPOSD Grants Officer to develop a plan to restore Good Standing prior to applying for any additional grants ([Section 1.7](#), [Section 3.4.6](#)).

**Our agency/organization has reviewed the requirements; we confirm our current Good Standing status and agree to remain in Good Standing with RPOSD.\***    
*You should not proceed with this application if you cannot affirm here.*

#### RPOSD Signage and Branding

Grant funded projects and programs shall acknowledge the assistance of RPOSD funding prominently on site signage, outreach materials, etc. For further instruction and more information, refer to the [Project Requirements](#) stated under the grant funding program you are applying for.

**Our agency/organization has read and reviewed the RPOSD signage and branding requirements.\***

#### Review of Project Delivery

All grantees are required to follow RPOSD procedures to close the grant after completion of the project ([Section 3.4.5](#)).

**Our agency/organization has read and reviewed the Project Delivery: Grant Closing and Post Closing obligation requirements.\***

#### Review of Insurance Requirements

RPOSD requires grant applicants to review the insurance requirements associated with the grant agreement. Insurance requirements can be found in the grant

agreement, under [Section K.1.ii.](#)

Our agency/organization has read and reviewed the insurance requirements.\*

**Deed Restriction Requirements**

*RPOSD requires, to the maximum extent feasible, that the grantee shall cause to be recorded on the title of any real property acquired and/or developed with funds from RPOSD, a deed restriction requiring compliance with the grant agreement, in perpetuity ([Section 3.4.5](#)).*

Our agency/organization understands that we may be required to record a Deed Restriction for this project.\*

**Review of Grant Agreement**

*RPOSD requires applicants to review the grant agreement. The [grant agreement](#) is available for review on the RPOSD website. Applicants are highly recommended to review the "Repayment of Grant Funding Provision", which informs that RPOSD is a party in a pending litigation and may require grant recipient to refund all Measure A tax proceeds received.*

Our agency/organization has reviewed the terms and conditions of the Grant Agreement and is prepared to execute the Grant Agreement upon approval of this application.\*

All sections listed below reference the [Measure A Grants Administration Manual](#), unless specified otherwise.

All Measure A grant programs require community outreach and engagement. A Community Engagement Plan must be submitted with each grant application. The Community Engagement Plan must provide the following information: dates, frequency, and outreach methods used or planned to be used; dates of all engagement (planned or completed); scope of planned and/or conducted engagement activities; language access verification and supporting documentation. This plan may need to be updated over the course of the grant. (Section, 3.3)

### Project Total Cost

All Measure A grant programs require community outreach and engagement. A Community Engagement Plan must be submitted with each grant application. The Community Engagement Plan must provide the following information: dates, frequency, and outreach methods used or planned to be used; dates of all engagement (planned or completed); scope of planned and/or conducted engagement activities; language access verification and supporting documentation. This plan may need to be updated over the course of the grant. (Section, 3.3)

**What is the estimated TOTAL cost for this project?**

**Based on the total project cost, your agency/organization must complete Information Sharing, Concurrent Engagement, and Dedicated Participatory Engagement for this project.**

### Language Access Requirements

When conducting community outreach and engagement, cultural and language sensitivities must be considered to encourage participation from groups that typically face barriers and are less likely to participate in public process collaborations. To ensure truly inclusive practices, all outreach and engagement conducted for Measure A-funded projects must adhere to the language access requirements. [LANGUAGE ACCESS REQUIREMENTS](#)

**Our agency/organization has reviewed the language access requirements.**

**Our agency has a TIER 1 Requirement (Language(s) with isolation of 15% or greater) all written materials must be translated; all workshops and meetings must provide interpretation services**

**Information Sharing (IS)**

Information Sharing is community engagement that educates and informs community members of potential and ongoing projects, facility needs and challenges, funding opportunities, and available programs and services.

Has your agency/organization conducted Information Sharing outreach for this project?

How will you engage the community on this project?   
1,500 characters

What type of information sharing outreach will you use to engage the community?   
1,500 characters

When does your agency/organization anticipate engaging the community regarding this project?

**Concurrent Participatory Engagement (CPE)**

Community engagement that is conducted concurrently with other public meetings or events. CPE may include, but is not limited to: meetings scheduled around community plans, regularly scheduled council and/or commission meetings, or special community events that aim to engage the community and solicit feedback that pertains to spending priorities within the Study Area.

Has your agency/organization completed Concurrent Participatory Engagement for this project?

**Dedicated Participatory Engagement (DPE)**

Community engagement dedicated to discussing specific project(s) with Measure A funding needs. These meetings must focus entirely on parks and open space projects, plans, or priorities and may not include agenda items that do not pertain to specific projects, plans, or priorities. Examples of acceptable DPE include but are not limited to: public workshops or meetings; design charrettes; collective design/visioning; community mapping; model making; and participatory budgeting.

Has your agency/organization completed Dedicated Participatory Engagement for this project?
