

2.1.2. COMMUNITY-BASED PARK INVESTMENT PROGRAM

Community-Based Park Investment Program (Category 1) funds will be allocated to each Study Area in the County using the Per Capita and Structural Improvements Formula. These funds are available on an annual basis for expenditure on projects that comply with the requirements listed below.

Funding Amount and Cycle Frequency

Annual Allocation: 35% of Measure A expenditure plan.

Grant Cycle: Annual

Recipients: Responsible agencies that oversee parks in one or more of the 188 Study Areas in Los Angeles County.

Study Area Allocation Amount: Calculated by Study Area using the Per Capita Improvements formula as

described in the Glossary. The dollar amount of funds available to each Study Area will be updated annually based on the revenue received by September 15th of each year.

Project Types

Below is a non-exhaustive list of projects that may be eligible for grant funds under the Community-based Park Investment Program. This list is intended to assist agencies in understanding the types of projects that Community-based Park Investment Program funds can be expended on, not to limit or direct the projects they choose to complete.

- Community and local parks, including pocket parks, playgrounds, playground equipment, dog parks, and picnic areas, especially those that connect and restore underutilized spaces;
- Community and senior recreational centers;
- Park safety, graffiti removal, facility safety lighting, safe routes to schools, and other safety improvements;
- Greenspace and greenway development;
- Gardens;
- Urban canopy development to reduce the heat island effect, especially in heavily urbanized, tree-poor areas of the County;
- Refurbishment, updating, or expansion of current parks and park amenities;
- Planning and design related projects.

Project Requirements¹

Applicants must provide proof that the project meets the project eligibility, feasibility, and community engagement requirements listed below.

All projects must include a sign at a prominent location on the project site acknowledging the assistance of RPOSD. The cost of permanent signage development is reimbursable through the grant. RPOSD will provide electronic samples of its graphics for the grantee to use in signage development.

Project Eligibility

Applicants must provide proof that the project meets *all* the following Project Eligibility requirements to apply for a grant award:

- The project is in the Study Area or meets the requirements for shared funds;
- The project is a capital project;
- The project is consistent with the most recent PNA, UPNA, or another adopted park planning tool.

Project Feasibility

Applicants must provide proof that the project meets *at least one* requirement in each topic area to apply for a grant award:

Land Access/Tenure

- Proof of ownership; or
- Agency has entered into a lease or other use agreement for the land in question; or
- Agency has concrete plans on how access or tenure will be acquired or arranged.

Planning and Design Status

- Design documents are at least 30 percent; or
- Agency has sketch-level plans for project design and a timeline for completion.

Permitting and California Environmental Quality Act (CEQA) Compliance

- Project is exempt from regulatory permits and CEQA requirements; or
- Any necessary permitting and CEQA documents are completed and certified; or
- Agency has concrete plans to complete permitting and CEQA requirements.

Adverse Site Conditions

- There are no site conditions adverse to project completion; or
- Adverse site conditions have been characterized and the agency has concrete plans for addressing them; or
- There are adverse site conditions but there are concrete plans to address them with appropriate budget contingencies in the project budget.

¹ Requirements vary slightly for Planning and Design project types. Refer to Section 2.4.7 *Project Requirements*. Requirements vary slightly for acquisition project types. Refer to Section 2.2.3 *Project Requirements*.

Project Budget and Funding

- Agency has a detailed budget for completed planning and design, project implementation costs, and contingencies.

Project Schedule

- Agency has a detailed timeline from project planning and design, permitting and community involvement, grant award to project completion.

Operations and Maintenance

- The agency has a detailed financial plan for the operation and maintenance of the completed project.

Community Engagement

The project must meet the minimum community engagement requirements described in Section 3.3.
