September
Application Opens

September - January
Workshops Available

Year 2020

February
Application Closes

June
Award Announcements

Recreation Access:

for programs that increase ability for county citizens to access public lands, park facilities, and park amenities, including education, interpretive services, safety information, transportation, and other activities that increase the accessibility for county residents, especially for those in high-need and very-high-need areas.

Available Measure A Funding \$7.2 Million + Metro's Measure M Funding \$1.0 Million, totaling \$8.2 Million

Youth and Veteran's Job Training and Placement:

for programs that provide education and skills training (career development) or certification and job placement in the field of parks and recreation, for youth and veterans.

Available Measure A Funding \$7 Million

More information about Regional Park and Open Space District's competitive grant programs can be found in the Measure A Grants Administration Manual and the Measure A Basics, available online at www.rposd.lacounty.gov.
